- ▶ Dual diplomas from renowned universities teaching in English
- ▶ Opportunities for a second diploma with one or two years of extra study at Steinbeis, Berlin (or online), EPITA (France), or Japan & North America

**3+3**

**3+2**

All MUST founders share a commitment to make the university a platform to modernize higher education systems and offer international opportunities to its students.

The founders of MUST include Deans, Provosts, CEOs of technology companies, and distinguished researchers and professionals. Most of them are among the distinguished academic community residing abroad and Several are among **the top 2% of scientists, worldwide, in their respective fields.**

# Join a Pioneering & Innovative University

MUST University is a trailblazing institution nestled in the vibrant Lac 3 of Tunis. Academic programs blend academic rigor with real-world experience and are enriched by formal leadership training as well as breadth electives in humanities and social sciences. MUST adopts innovative teaching methods such as blended, active, and service learning and works to integrate its students in the global knowledge economy through its worldwide network of founders and adjunct faculty.

MUST University is accredited by the Ministry of Higher Education & Scientific Research according to authorization No 04-2022.

# Discover a Vibrant Student Life

As a young university, MUST offers a close-knit, family-like ambiance where students thrive. We encourage creativity and involvement, with opportunities to start clubs, join associations, and participate in trips and events. At MUST, student life is about balancing academics with fun and personal growth.
